

Min Pin Rescue: Friends of Penny
FOSTER – VOLUNTEER AGREEMENT

As a foster family I agree to provide nutritious meals, fresh water, grooming, a safe environment, and appropriate shelter for this foster dog. I will not leave my foster dog tied up, especially when unattended. I will never leave my foster dog unattended in a vehicle when it is 75 degrees or hotter, even with the windows rolled down. I understand that this can cause heat stroke and the death of a dog. I agree to arrange my family's schedule so that the dog is seldom left alone for more than eight hours at a stretch. I agree to play with, pet and give attention to my foster dog when I am home. I agree to let my team leader know if there is any change in the health of the dog and will get clearance before I get anything other than emergency care for my foster dog. I will check my foster dog regularly for any signs of illness. I will do frequent flea and tick checks on my foster dog.

I will give a firm "NO!" or shake coins in a can to let my foster dog know that he is exhibiting bad behavior. I will not hit my foster dog. I understand that dog trainers acknowledge that this is an ineffective way of changing bad behavior. I will seek to modify behavior by praising the behavior that I desire. I agree to consult with my team leader, the Pet Helpline (480) 898-7387, dog care books or videos from the library if I am experiencing any behavior difficulties with my foster dog. I will closely supervise my dog when around children (especially children, or adults, he/she is not familiar with). I will closely monitor my foster dog when near roadways or water, when riding in a vehicle (preferably the dog should be in a dog crate during car travel) and in any other situation which is potentially dangerous to my foster dog. I will have my foster dog wear an identification tag (preferably with a phone number) at all times. I agree to any home visits needed, as determined by Friends of Penny Min Pin Rescue Inc. I will relinquish the dog upon request.

I understand that Friends of Penny Min Pin Rescue Inc does its best to evaluate a dog's temperament and behavior. I will not hold Friends of Penny Min Pin Rescue Inc or any member personally liable for any damage the dog does. Friends of Penny Min Pin Rescue Inc is concerned about the health of the animals in its care and exercises due caution to prevent the transmission of diseases. However, because of the dire circumstances from which many of the rescue animals come, any animal may carry or could have already been exposed to an infectious disease, which may not be apparent for several days. You have determined for yourself the animal is acceptable for you and your household to foster, and you agree to indemnify and hold Friends of Penny Min Pin Rescue Inc, Friends of Penny Min Pin Rescue Inc volunteers and other Friends of Penny Min Pin Rescue Inc representatives harmless for any illness the animal may develop and any injury or damage this foster dog may cause once you have taken possession of the animal.
